

MISSIONS GRANT APPLICATION

Please print legibly

This application is for a \$250 Missions Grant from your CVBA. Churches may apply for a grant once per calendar year. Funds will be distributed to eight churches during a calendar year. The application must be fully completed and returned a minimum of 90 days before the event. An after event report is expected within a month of the completion of this event. Failure to complete the after event report may affect consideration for future grants. Remember, this application is for a MISSIONS event, not an evangelistic event. If you have a problem distinguishing between the two, contact the CVBA office.

You could either download this form and fill it out and bring it by the CVBA office or you could fill it out and email it. In order to use it as a fillable form save the application on your computer, fill it out, print as a PDF, then attach it to an email to jeff@cvba.org

Church _____

Name of person leading this event & relationship to church _____

Contact Information: Email _____ Phone _____

Date event begins _____ Ends _____
