*"The Lord will fight for you;
you need only to be still."
Exodus 14:14*

This year's conference theme is inspired by Exodus 14:14. This scripture encourages us to slow down in our fast-paced, demanding world with overloaded schedules and frazzled nerves and simply rest in the presence of the Lord.

The goal for this conference is to provide a time of renewal with the Father as well as a renewal to our call to serve His people, the Church. The sessions being offered will provide new information, review church office procedures, and give inspiration for your spiritual life.

GENERAL SESSIONS

Do you ever feel like you're disconnected from fellow ministry assistants in your community? Would you like the opportunity to meet some of the other amazing ladies and develop lifelong friendships? During the general sessions in this conference, we will focus on some group activities giving you the opportunity to do just that!

LUNCH SESSION

There will be a special surprise during the lunch session! You will experience an entertainment time that you won't want to miss!

DOOR PRIZES!

Door Prizes will be given out during the three general sessions. If you can, please bring a door prize (\$5-\$20) to add to the fun!
